CONSTRUCTION UNIVERSITY NAMED AFTER MIRZO ULUG`BEK**

**” ADVANCED ENGINEERS AND ARCHITECTS: MODERNISATION OF
RESEARCH AND EDUCATION FOR SUSTAINABLE DEVELOPMENT”**

2nd International scientific and practical conference organized on the occasion of the 2nd anniversary of the achievement of the STATUS OF UNIVERSITY by the Samarkand State Institute of Architecture and Construction

CALL FOR PAPERS

On November 8, 2024, the 2nd International Scientific and practical conference entitled **”Advanced Engineers and Architects: modernisation of research and education for sustainable development”** will be held on the occasion of the 2nd anniversary of the Samarkand State Architecture and Construction University named after Mirzo Ulugbek and the decision of the president of the Republic of Uzbekistan dated November 8, 2022 PQ-416 “On measures to further improving the system of Personnel Training in the field of Architecture” as well as for the purposes to fulfill the tasks set by the president of the Republic of Uzbekistan.

The sections of the International Conference are the following:

- 1. solving scientific and practical problems in the field of architecture, urban planning and design;*
- 2. promising reforms in the field of preservation and restoration of cultural heritage;*
- 3. prospects for solving scientific and practical problems of construction, mechanics, the environment, labor protection and health, geomatics and engineering systems;*
- 4. priority areas for transforming the education in economics and management;*
- 5. international experience in improving the systematization and solving scientific problems using computer graphics;*
- 6. problems and best practices for improving the system of personnel training and experience in developing international cooperation in the field of architecture and civil engineering*

Requirements for articles:

1. Conference materials should be submitted in Word 2007, 2010 (.rtf) format, Times New Roman, 11 pt, single-spaced, all page margins are required to be 2 cm.
2. The title of the article should be written in capital and bold letters, center-aligned in the first row, followed by the surname, name and patronymic of the author(s) in the 2nd row, and the affiliation, position, degree and title, the email or telegram number of the author(s) in the 3rd row.
3. The abstract of the article should be given in 5-6 rows after one interval.
4. 8-10 keywords must be indicated after the abstract.
5. The main text is written with a space after the keywords. It should be single-spaced, width-aligned, in word-wrap mode.
6. References should follow the main text and contain at least 5 items, 2 of which should be papers published over the last 5 years, at least 1 of which should be an international paper.

7. The references should be in [1] format within the main text.
8. The volume of articles presented should not exceed 5-6 pages. The title of the file should contain the number of the section and author's surname (for example: 1.Aliyev.rtf).
9. The materials of the conference are accepted in Uzbek, Russian and English.

Articles should be presented on topics related to the sections of the conference, on the basis of the results of the author's research, scientific analysis and completed opinions, including scientific and practical recommendations. The organizing committee of the international scientific and practical conference recommends that each article be scientifically, technically and stylistically edited with the provision of information about the author of the article. The author is responsible for the content of the article and the correctness of the indicated sources. The organizing committee has the right to select articles.

The official languages of the conference are: *Uzbek, Russian and English.*

All conference participants will be awarded a **QR code certificate**.

Those who wish to participate in the conference must submit their 5–6-page papers in electronic format to the email: u.malikov@samdaqu.edu.uz (Malikov Ulug'bek) or to the  telegram messenger by phone number **+998 (33) 772-52-00** by November 5, 2024. More than 2 articles from one author will not be accepted.

Articles that do not meet the specified requirements and submitted late will not be included in the conference proceedings and are not returned to the author. Articles submitted to the conference should follow the **IMRAD** structure. Scientific articles that meet the requirements will be published in the special issue of the scientific and technical journal ***“Problems of Architecture and construction”***, recommended by the Higher Attestation Commission under the Ministry of Higher Education, Science and Innovation of the Republic of Uzbekistan. Also, the electronic edition of the conference proceedings will be sent to all authors of the conference.

Each article included in conference proceedings will be indexed to the **Google scholar** system. The fee for publishing articles in an electronic journal is **150,000** soums.
